22.03.10

Waiting list in place, please email to confirm your interest.

Workshops in order of preference

- (A) Kaizen
- (B) Visual Control
- (C) Practical Problem Solving

DONATION

There is no charge for the seminar but we do recommend a donation of at least £1,000 per delegate to the Charitable Trust.

The donation should be submitted at the same time as your application. Cheques should be made payable to 'Toyota Manufacturing UK Charitable Trust'.

CONFIRMATION

Seminar places will be allocated on a first come first served basis. Please note applicants are not guaranteed a place or their first choice of date / workshop.

On acceptance of your application, we will send you a letter of confirmation and joining instructions.

If you have not received these two weeks before the seminar, please contact the organiser.

CANCELLATION

In the event of cancellation, more than one week after confirmation has been issued, donations to the Charitable Trust cannot be refunded.

However, you can nominate a substitute delegate from your own organisation. This should be submitted in writing at least one week prior to your seminar date.

Toyota Motor Manufacturing (UK) Ltd reserves the right to make changes to the programme.

The Toyota Manufacturing UK Charitable Trust - Charity Number 1124678, formed in 2008 fundraising to support nominated charities.

In 2009, the funds raised from the seminars supported the NSPCC, Cancer Research UK and other local charities.

We look forward to the support of our local communities & business partners to help us put an end to child cruelty and the battle against cancer.
