Privacy Policy

This document describe Toyota Motor Manufacturing (UK) Limited's ('We' or 'Us') Privacy Policy. This Privacy Policy sets out how we use the information received about you during your visit to our web site, www.toyotauk.com. If we change or modify our policy we shall post these changes on this page.

We are the sole owner of the information collected on this web site and will at all times control and be responsible for such information. We will not pass the information we hold about you to any business or organisation outside of the Toyota group of companies and its agents as set out in this Privacy Policy. We may employ the services of a third party to help us in certain areas, such as web site hosting. In some cases the third party may receive your information. At all times, however we will control and be responsible for the use of your information.

The amount and type of information we receive depends on how you use this site. You do not have to give us any personal information in order to use most of this web site. To enable you to take advantage of some of the services offered by this web site we will need information from you, such as your name and address.

We will collect information for the following purposes:

(1) **Feedback/Queries**

To provide feedback on this web site or for us to answer any individual questions you have (you will need to provide contact information such as name and e-mail address so that we can respond to you).

(2) **Recruitment**

To apply for any vacancies advertised on this web site you may e-mail us your curriculum vitae. Any information you send to us for the purpose of a job application will be used for that purpose only. Where the information that you provide is sensitive, you give your explicit consent to our use of the information to process and assess your application

Requesting details of personal information we hold

You may request details of personal information we hold about you. Please send such requests to the Data Protection Registrar, Toyota Manufacturing UK Limited, Burnaston, Derby, DE1 9TA. An official fee will be payable if your personal information changes or if you no longer wish to receive our service. Please let us know by [contacting the Data Protection Registrar] and we will correct, update or remove your details.

Links

This web site contains links to other web sites. We are not responsible for the privacy practices or the content of such web sites. This privacy policy applies solely to the information collected from use of this web site.

Use of Cookies

Cookies are pieces of information that a web site transfers to an individual's hard drive for record keeping purposes so that we can track web site and user activity. Use of cookies helps us to track the interests of our users and to subsequently improve and update the web site. You may prevent the use of cookies by configuring your web browser accordingly, but it is possible that some parts of the web site will not function if you do so.

IP Addresses

We use IP addresses to analyse trends, administer the web site, track users' movements and gather demographic information for aggregate use. IP addresses are not linked to personally identifiable information.

Internet/E-Mail

We take all appropriate steps to protect the information that you send to us. If you send that information via the Internet or by e-mail you should be aware that it may not be completely secure from interception. We are not responsible for the actions of any third parties who may intercept your Internet or e-mail communications

Consent

By using our web site you consent to the collection and use of your information in the manner and the purposes set out above.
